A few updates on our covid-19 measures:

- We plan to keep our outdoor space open as long as possible. We have patio heaters. Our fire pit is raging every evening. Blankets are encouraged.
- We are continuing to keep doors open to keep a continuous air flow with our kitchen extraction fans.
- We continue our strict mask policy applicable to all staff, hand-sanitizing station, surface cleaning, and other activities.

We appreciate all cooperation from our guests and look forward to 2022 when a lot of these extra measures will be memories. For us, the safety and wellbeing of our guests and our staff are paramount, and we will take every precaution to ensure that we all emerge from this pandemic healthy.
